INFANT, JUNIOR & SENIOR SCHOOL

GDST

GIRLS' DAY SCHOOL TRUST

Transport & Travel Guide

Welcome

Dear Parents and Carers,

Thank you for taking the time to look at our School Transport and Travel Guide for the 2023-2024 academic year. We have produced this little guide in order to communicate the wide range of travel options available to our students here at Sheffield High School for Girls. Some of the bus routes are operated in-house, using our minibuses or contractors, and others are operated by neighbouring schools or external coach operators. Where possible drivers are allocated to the same route every day, which allows both you and your daughter to get to know the driver on your route.

We do contact all of the operators regularly to ensure that the information in this booklet is as up to date as it can be.

I very much hope that you are able to find a travel solution that works for your family. If you need any further assistance planning your daughter's journey to school, or you would like to discuss travel options from areas not currently served by our school bus service, please contact the school on enquiries@she.gdst.net and we will be pleased to assist.

I would like to wish your daughter a pleasant and successful academic year.

Kind Regards

Iain Kane
Director of Finance and Operations

Overview

Please note, this service is only available to Junior, Senior and Sixth Form pupils. The routes and times listed below are correct at time of printing. Therefore, please check with the designated contact if you have any queries. The only buses coordinated by Sheffield Girls' are Hathersage/Grindleford, Bakewell/Darley Dale, Lodge Moor/Fulwood and Barlborough/Clowne for details of our other routes please see contact list below. Payment is made directly to the co-ordinator who can also provide you with individual terms and conditions for that service.

Further Information

Public Transport

We are very well served by public transport being so close to the Royal Hallamshire Hospital. There are a range of public bus services with stops close by such as 2, 6, 120, 271 X2, 10, 10a, 51, 51a, 52, 52a. The Supertram also runs to the top of West Street and is then a short walk to school.

Parking Restrictions

We politely ask parents to be considerate to neighbours and other road users when visiting either the Infant, Junior or Senior School sites, especially in relation to parking and speeding. Please do not park on Rutland Park if you are blocking a driveway. There is limited parking on the senior school site and all spaces are allocated to staff, therefore in the interest of safety for the students, please avoid driving into the car park at any time.

We operate a voluntary one way system on Rutland Park, entering opposite the entrance to the Botanical Gardens.

Bad Weather

The school will remain open as long as it is safe to do so, with staff in school to look after pupils until they can be collected.

School may open slightly later than normal due to snow on rare occasions. Information on any alteration to opening times in the event of snow is posted on the school website around 7.00am. You will need to give permission for your daughter to leave early via Firefly, if conditions become dangerous or it is confirmed that public transport will be withdrawn.

Walking Bus

We offer a walking bus service for our Infant and Juniors that are dropped off at the Senior School site. Our Sixth Form students will be waiting on Rutland Park to walk them safely over to the Infant or Junior site.

Bicycles

Students are allowed to cycle to and from school. We have secure bicycle racks available.

Cars

Students are not permitted to drive or park any vehicle on the Sheffield Girls' site and we do not encourage students to drive to school. Students who do choose to drive to school must park safely and legally off site, without causing inconvenience to local residents.
